Please make sure you get all of these things to the customer in good time.
They went back to the shop in order to get some things that they wanted.

We have the files ready for the next time they ask us to send them.
Take these new books to him in order that he can study for his exam.

I think that the staff are having some difficulties with the computers in the office.
Please deliver these goods to the main entrance of our building by next week.

I would be grateful if you would send me a copy of next year's brochure.
The committee meeting lasted for three hours and the members finally came to a decision.

We hope you will be able to attend the interview for this very good position.
The guest speaker began his talk by thanking all the people for attending the meeting.

Please email us if you have any questions that you would like us to answer.
They will send a representative to inspect the building and tell us what is needed.

You will be able to see our local sales representative next Monday morning at ten.
I think it will be possible to do this small job in the time available.

Please reply as soon as possible so that we can deal with this matter further.
Please inform the staff in the accounts department that there will be an inspection tomorrow.

You will have reached the top speed only if the writing can be read back.
The most important thing is that you can read back easily what you have written.

I am writing to let you know that I have passed my shorthand speed test.
I am now ready to apply for the position of official reporter at the court.

What you have learned will make taking the notes of the meeting very much easier.
I do not think it will be necessary to write notes in longhand any more.

I will be taking all the notes at the next meeting of the local council.
I am so glad to hear that you passed your shorthand exam at the college.
